

Camp Integrations

Building Skills for Fun and Friends

Video / Photo waiver

As part of our continuing commitment to advance the level of education and understanding of Pediatric Treatments and Sensory Integration dysfunction and to support our mission of advancing research and training in sensory integration and complimentary therapies in an intensive treatment model, TheraPeeds also provides continuing training to staff and therapists. In that regard, we consistently video tape and/ or photograph clients that participate in our programs, such as Camp Integrations. These tapes **MAY** then be used in workshops and lectures/discussions for educational purposes only or as part of grant proposals.

This letter serves to notify the parent that videotaping/photographing will be a part of Camp Integrations.

I _____, the parent/guardian of _____ herby authorize TheraPeeds to videotape the sessions of my child and use for educational/grant writing purposes.
